

"You will never know my rest or let me lead you in my ways"

Goodbye For Now (Philippians 1:21)

1. Lost a good friend today

I can't help but wonder why

My soul aches, I start to cry

Watch the mourners congregate

We don't see the master's plan

Death is hard to understand

Goodbye for now, Goodbye for now

We'll miss you here with us, Goodbye for now

2. Thinking of his life again

Faithful to the Lord he was

Full of passion, full of love

He fought the fight, he ran the race

Never giving up or out

The main things he was all about

Goodbye for now, Goodbye for now

Our loss is gain for you, Goodbye for now

I close my eyes and see that your hope has finally been realized

With saints of old and glories untold I know that you are alive

As Christ lives in me, the Lord you now see I'll wait for the day we'll

be together

Been There Before (Matthew 28:20)

Don't know where to go, don't know who to call

Feelin' lost and alone I know,

I've been there before

Missin' that place called home,

missin' a hand you can hold

Walkin' with a heart sick soul, I know,

I've been there before

Lookin' for something to find, Maybe a love of a lastin' kind

Not a heart that plays games with your mind, I know I've been there

before

Look upon my need, send me a reason to go on

My mind spins 'round in circles, this path I've walked too long

With this simple pray I find my rest in You

With the God of peaceful waters, hold me close, hold me right next to

You

Watch with eyes open wide

See his hands his feet his side

Trying to lose your pride, I know

I've been there before

Hear his words in your ears

"I love you friend, with your hopes and fears

I hear your prayers and I catch your tears I know I've been there

before

Plans (Jeremiah 29:11-13)

1. Sitting by the river, staring out in silence at a world that's not her own

Tears begin to fall, joining in the river all those who've gone before

The pains of wrong long gone rush through her mind

Will she ever see through faithful eyes?

I know the plans I have for you

Plans to prosper you and not to harm you

Plans to give you hope and a future

Then you will come and pray to me

And I will listen to you

You will seek and find me when you seek with all your heart

And there you'll find me...

2. Staring at the traffic, sipping down his coffee, in a world he's come to know

Wondering if the ladder, that he climbs will take him to the place he wants to go

Fallings of the past long gone rush through his mind

Will the path he takes lead to demise?

Blessings to you all!

It is my prayer that all who listen might know Jesus as an intimate friend, Savior, Counselor, and God Himself.

If you are uncertain of where you stand with God, know that he has you on His mind. He has made a way for you to Himself if you will only seek after Him and listen to his Son.

Romans 6:23 For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord.

With much love for you and Him,
Eric
